Capital Campaign Briefings

You are respectfully invited to attend a Children's Center capital campaign briefing on any of the dates noted above. Because space at the Center is very limited, please contact us in advance to ensure we are able to confirm a place for you at a time best suited for you.

The Children's Center's building campaign is succeeding because our community deeply cares about providing a place where children who have been abused can tell their story to people who understand and know how to help.

We look forward to sharing the latest campaign information with you.

Please contact Shauna Lugar at 503-655-7725 shauna@childrenscenter.cc to attend one of the above briefing dates.
